STRIATO

The Striato pen celebrates the graphical play on stripes that defines the collection, interpreted here in its most luxurious expression. Its generous, sculptural silhouette is crowned with an oversized cap wrapped in a pattern of progressively tightening pinstripes, creating a sense of movement and visual precision. The result is a resolutely luxurious writing instrument with a distinctive graphical twist, where refined pattern work meets timeless elegance.

MERIDIEN

The Meridien pen reveals a futuristic, angular silhouette defined by a precise sequence of vertical and horizontal deep-engraved stripes. This graphic interplay forms a modern interpretation of the timeless herringbone pattern, giving the pen a sense of movement and structure. The minimal matte gunmetal plating reinforces its clean geometry, resulting in a piece that feels confidently modern and distinctly architectural.

STRIADE

The Striade pen brings a refined twist to a classical silhouette, exploring the interplay of two pinstripe scales arranged across its cap. This contrast lends a subtle industrial spirit to the design, adding texture and character while preserving a minimal, balanced presence as a writing tool. The result is a piece that feels thoughtfully engineered, with a considered graphical detail that elevates its timeless form.

CONTOUR BAUHAUS

The Contour Bauhaus pen builds on the rounded, ogivoidal silhouette that has become a market favorite, with every line curved to create a fluid, seamless profile. Spaced horizontal lines bring an architectural, futuristic vibe, making the cap and barrel read as one continuous form. Plated in shiny finishes and signed with a HUGO BOSS logo on the clip, it comes in crisp chrome or deep, shiny black.

ARCHE HORIZON

Arche Horizon reinvents a market favorite with an innovative yet timeless surfacing defined by an intricate horizontal stripe pattern. The pieces are plated in shiny black and enriched with crisp chrome accents. The design is completed by the Double B logo positioned at the top, delivering a refined and unmistakable signature

LOOP STRIPES

The Loop Stripe pen is built on the top-selling Loop silhouette, offering an understated, luxurious take on this iconic shape. Available in two simple platings, matte gun or shiny chrome, it stands out through an evolving pattern of intricate horizontal stripes so tightly spaced they are barely visible at first glance, creating the impression of contrastive finishes. This subtle texture brings the uneven stripe motif forward while keeping the object minimal and refined.

ELEMENTAL

ELECTRONIC

ELEMENTAL LAMP

The Elemental LED lamp features a minimal, contemporary design highlighted by the Double B signature on its on/off switch, adding a subtle elevated touch. Available in black, chrome, or metallized camel, it offers both warm and cool light modes with adjustable brightness to suit any setting. With up to twelve hours of autonomy and convenient USB-C charging, it functions as a perfect tabletop lamp that can be moved around effortlessly while maintaining a refined, modern presence.

VARSITY

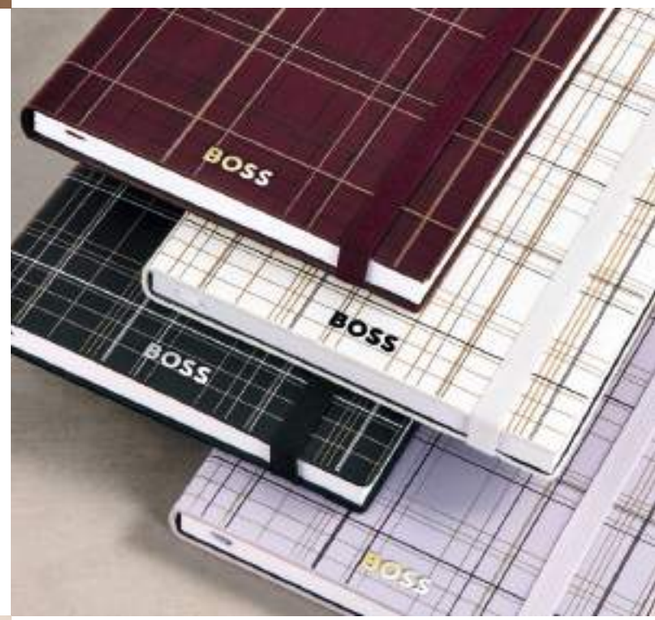
The Varsity notebooks channel a youthful, varsity-inspired spirit through a bold graphical reinterpretation of the Double B logo, creating a dynamic and colorful statement. Available in a range of playful yet neutral shades including black, camel, dark green, navy, and burgundy, the line stands out for its fresh visual identity and strong graphic presence.

Varsity Lined Notebook A5 - HNH612

CHECKERED

The Checkered notebook borrows its striking print directly from the BOSS ready-to-wear line, turning a classic pattern into a true fashion statement. The bold graphical play on the brand's iconic colors gives it a strong, instantly recognizable identity, available in two timeless versions, black and white, as well as in two more unexpected shades, burgundy and lilac.

Checkered Lined Notebook A5 - HNH624



HOLOGRAPHIC

The Holographic notebooks feature a soft, blurred floral print borrowed from the BOSS Lady ready-to-wear line, giving the design a gentle, airy character. Offered in a soothing palette of navy, light blue, nude, and pastel green, the line brings a touch of lightness and subtle delicacy to the collection, making it a graceful and charming addition.

Holographic Flower Lined Notebook A5 - HNH623

UMBRELLA

CHECKERED

The Checkered umbrella features a striking print borrowed from the BOSS runway, turning an everyday essential into a true fashion statement through its graphic take on the brand's iconic colors. Available in pocket and mini sizes and presented exclusively in black, it comes with a refined handle wrapped in a leatherlike material and is signed with an embossed BOSS logo for an elevated finish.

1. Checkered Black Umbrella - HUN624A
2. Checkered Black Pocket umbrella - HUF624A

VARSITY

The Varsity umbrella channels a colorful, youthful energy with its bold, varsity-inspired graphical take on the Double B. The canopy is finished with the signature three-color stripe along the edge, adding a crisp nod to the brand's codes. Offered in a compact pocket format, it comes in black, blue, forest green, and burgundy, each featuring a tonal handle luxuriously finished with the BOSS logo embossed.

3. Varsity Black Pocket umbrella - HUF612A

CHEVRON

The Chevron umbrella introduces a fresh interpretation of the herringbone motif rooted in BOSS history, subtly echoing the brand's suiting tradition while keeping the design minimal and masculine with a modern twist. Offered in pocket or city size, it features a handle luxuriously wrapped in a leatherlike material with BOSS embossing, while all trims in deep gun add to its understated, elevated feel.

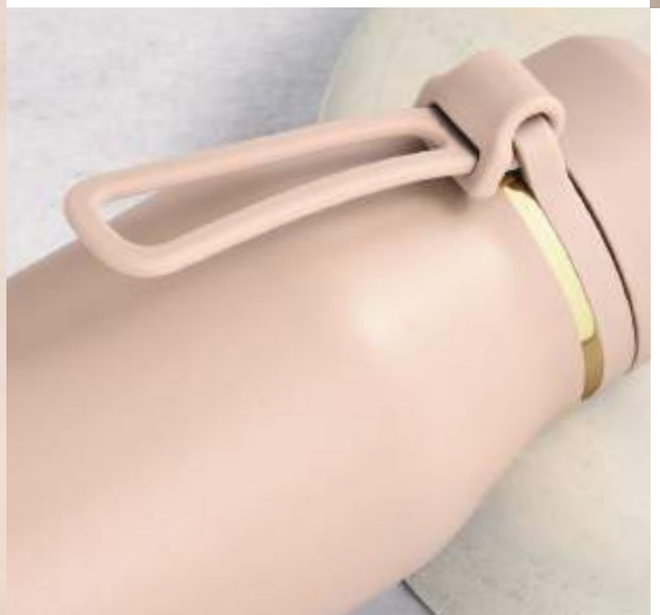
DESIGN

The BOSS bottle showcases a smooth, matte surface embossed with an oversized BOSS logo, creating a luxurious yet understated signature. Its silhouette is clean and modern, elevated by a refined palette offered in black with gun trim, nude with gold, and navy with silver. At the top, a Double B logo plated in matching metal shades completes the design with a distinctly elevated touch.

DETAILS

Every metal trim contributes to the bottle's luxe aesthetic, from the plated Double B on the lid to the carefully coordinated accents that echo each colorway. A tone-on-tone silicone strap is integrated into the design, adding a practical element while maintaining the bottle's cohesive, streamlined look.



FUNCTIONALITY

With a 600 ml / 20 fl oz capacity, the bottle is made of stainless steel and crafted to carry both warm and cold drinks throughout the day. The design is optimized for easy portability, durable performance, and everyday use, supported by the flexible silicone strap that makes it effortless to bring anywhere.

DOUBLE B SAFFIANO

The Double B collection showcases the iconic logo through three-dimensional metallic hardware on carefully chosen Saffiano leather, available in black and antracite. The small leather goods are crafted to highlight this signature element, and the matching pen echoes them with a wrapped cap that recalls the same texture and a three-dimensional Double B at the top. Together, they create a perfectly aligned set, united by material, finish, and the distinctive sculptural signature.
